

## Joint Workshop of the AMF and Combustion TCPs - Presentation Presenters, Authors, and Titles

Joint Workshop		
Presenter	Authors	Title
Stephan Renz Konstantinos	Stephan Renz, SFOE, Switzerland	Joint Workshop: Clean & Efficient Combustion with Advanced Motor
Boulouchos Paul Miles	Konstantinos Boulouchos, ETH, Switzerland Paul Miles, Sandia National Laboratories, USA	Decarbonization through synthetic renewable fuels – Why and how? Clean & Efficient Combustion with Advanced Motor Fuels
Magnus Lindgren Nils-Olof Nylund	Nils-Olof Nylund and Magnus Lindgren, Swedish Trans. Admin., Sweden Nils-Olof Nylund, Swedish Transportation Administration, Sweden	Low emission propulsion systems - Key research questions & Transport: A truly multilayer system
K. Winter Jim Szybist	K. Winter, Danish Technical Institute, Denmark Jim Szybist, Oak Ridge National Laboratory, USA	Novel fuels for advanced engine concepts Fuel / Engine Interactions: Insights from the U.S. DOE Co-Optima
Carina Alles Magnus Lindgren	Carina Alles, Chair of the Combustion TCP, SFOE, Switzerland Magnus Lindgren, Chair of the AMF TCP, Swedish Trans. Admin., Sweden	Joint dinner presentation: Energy Conservation and Emissions Reduction in Combustion Joint dinner presentation: We are AMF
